LANDERS CENTER

First, I would like to thank you for coming to this event and remind you that it is the mission of our entire staff to make sure that everyone has a wonderful, safe experience.

Here are a few things you will need to know while occupying our suite:

- The entire staff wants you to have a great time and is empowered to answer any of your questions or get you any information you might need.
- For your convenience, there are numerous restrooms throughout the arena. Please ask your suite attendant or the nearest usher where the closest one is located.
- During performances, we ask that you extinguish all overhead lighting in your suite. There is colored lighting that can be used to ensure your safety while you move about the suite.
- A suite attendant will be assigned to your suite to serve you anything from the suite menu. They will introduce themselves to you and check on you throughout the event in order to ensure timely service. If you have any problems or need urgent care please dial 662-470-2129 for the kitchen office.
- All orders must be accompanied by a credit or debit card for security purposes. All numbers are securely kept in the kitchen office until settlement and then destroyed. You may also settle your bill with cash and the number will be destroyed as well.
- All beverages, alcoholic or non-alcoholic, consumed in the venue must be purchased through the venue. It is unlawful to bring any food or beverage into the facility. Anyone found with unapproved liquor in their possession is subject to confiscation of items, ejection from the facility, and being placed under arrest.
- Anyone ordering alcohol in a suite will be asked for identification at the time of the order. We reserve the right to ask any guest in the suite for proof of age if they are in possession of an alcoholic beverage.
- Landers Center reserves the right to refuse service of alcohol to any patron if he or she is impaired. Please act and drink responsibly.

We hope you enjoy your experience, and please come back often.

Respectfully,

Greg Presley, Director of Food and Beverage
